Activity description
Basketball is a sport, generally played by two teams of five players on a rectangular court. The objective is to shoot a ball through a hoop of 46 cm in diameter and mounted at a height of 3.05 m to backboards at each end of the court. The activity will focus on developing team work; learn how to play with others, learn the tips and tricks, the rules the different post play together with the post moves. Some situations will be proposed to improve children's ability. It's a precision sport with tricks, for any small or tall boys and girls.

Sub-menu: Activities catalog

You can view all the activities offered by the LFIV.

The screenshot shows the 'Activities' page with a blue header. On the left, there are two filter sections: 'Filtrer par domaine' with options for 'Activities for primary school' and 'Activities for middle and high school', and 'Filtrer par catégorie' with options for 'Artistic and creative activities', 'Musical activities', 'Sporting activities', 'Primary school studies', and 'Theater, games, reading'. The main area displays a grid of activity icons: Basket, Contemporary dance, Football, Table tennis, Middle school theater, High school theater, and Volley-Ball.

You can also apply a filter by domain and/or category of activities that can be chosen by your child

This screenshot shows the same 'Activities' page but with filters applied. In the 'Filtrer par domaine' section, 'Activities for middle and high school' is selected. In the 'Filtrer par catégorie' section, 'Sporting activities' is selected. The grid of activity icons now only shows 'Basket', 'Football', 'Table tennis', and 'Volley-Ball'.

You can also register your child for one of these activities through this menu, for that click on it, then click on activities and more information.
